In the Drawings:

Replacement sheets have been provided for all figures 1 - 11. The only change to these figures is to add a reference number 72 identifying the ATA's arm. This change affects figures 4 -11. As suggested by the revised version of 37 C.F.R. 1.121, annotated mark-up drawings are also provided. The replacement sheets and the annotated drawings are provided in the appendix to this document.
